STATE OF CALIFORNIA

Fish and Game Commission

May 11, 2011

TO ALL INTERESTED AND AFFECTED PARTIES:

This is to provide you with a copy of a continuation notice of proposed regulatory action relative to sections 27.20, 27.25, 27.30, 27.32, 27.35, 27.40, 27.45, 27.50, 27.65, 28.26, 28.27, 28.28, 28.29, 28.48, 28.49, 28.51, 28.52, 28.53, 28.54, 28.55, 28.56, 28.57, 28.58, 28.65, 52.10 and 150.16, Title 14, California Code of Regulations (CCR), relating to recreational and commercial fishing regulations for federal groundfish and associated species for consistency with federal rules.

Based on actions taken by NOAA Fisheries, changes were made to the originally proposed language, which was adopted at the Commission's October 21, 2010 meeting. The Commission is scheduled to consider adoption of the revised regulations at a teleconference meeting on May 26, 2011. The teleconference will originate in the Commission's conference room at 1416 Ninth Street, Room 1320, Sacramento, CA, at 11:00 am. Interested and affected parties may submit written comments to the Commission office and/or offer testimony at the teleconference hearing at the Sacramento location or at the other locations listed on the agenda (which will be released on or before May 16, 2011).

Because the modified proposed regulations are different from, yet sufficiently related to, the originally proposed regulations, the Administrative Procedure Act requires that these changes be made available to you for a written comment period.

Attached for your review is the revised proposed regulatory language. Regulatory language originally proposed to be added is shown in single underline format. Regulatory language originally proposed to be deleted is shown in ~~single strikeout format~~. Regulatory language newly proposed to be added is shown in shaded double underline format. Regulatory language newly proposed to be deleted is shown in ~~shaded double strikeout format~~. Regulatory language originally proposed to be added, and now proposed to be deleted, is shown in ~~shaded single underline double strikeout format~~.

Sincerely,
